

Renaissance Anthem

VERSE 1

There's a difference you can sense
When you walk down our halls
You can feel it in the smiles
You can see it on our walls
You can see it on our walls

We shine a spotlight on each other
To be the best we can be
Our school is more than just a building
It's a true community

Where we rally for achievements
We find our motivation
We have a shared commitment
On the road to graduation

CHORUS 1

There's a difference you can feel
Believe the hype cause it's for real
Results are just part of the deal
It's our Renaissance legacy

Respecting what we value most
Recognizing not just some but most
Sharing ideas from coast to coast
It's our Renaissance legacy

VERSE 2:

We celebrate our staffuly
And their fearless drive
To create the kind of culture
Where the student thrives
Where the student thrives

We're there to lift each other up
And show each other we care
So that on graduation day, there
There are no empty chairs

In our classrooms and in our halls
Lifelong skills are born
Renaissance provides the magic
And The Harbor from the storms

CHORUS 2

There's a difference you can feel
Believe the hype cause it's for real
Results are just part of the deal
It's our Renaissance legacy

Rewarding efforts tangibly
Reinforcing what it means to be
A part of our school family
It's our Renaissance legacy

RAP

Our school is more than just a building
It's a place to meet our goals
Students and teachers working together
It's our heart and soul

We're all in this together, all in the same boat
To change the world around us
Igniting unity as we grow

Where every person has that chance
For a moment of glory
Where everyone feels recognized
And matters in our story

Every age, every color, every girl and every boy
Giving everyone a chance to be extraordinary
People leaving their mark
Making a difference on their way to embark
On a journey of ambition, the road to success
With Renaissance, you'll sure to pass every test

CHORUS 3

There's a difference you can feel
Believe the hype cause it's for real
Results are just part of the deal
It's our Renaissance legacy

Rewarding efforts tangibly
Reinforcing what it means to be
A part of our school family
It's our Renaissance legacy
