Tickets or school IDs, trash/recycling bins, speakers for music.

Submitted by Summerville High School

### OVERVIEW

Recognize and celebrate students for their academic achievements, attendance, behavior or anything in between by inviting them to a Food Truck Rodeo-- a coordinated special lunch period with all your favorite local foods! Yee-haw!

### INSTRUCTIONS

1. Find a time in the school schedule that works for the event.
2. Connect with your favorite local food trucks and invite them to your Food Truck Rodeo.
3. Scout your campus for the best location for the rodeo, like a bus lane or a parking lot, then make a map of food truck stations and send to the vendors so each knows where to park.
4. Coordinate with custodians to have trash/recycling bins.
5. Make reminders for students and staffuly to bring money.
6. Have a point person to help the food trucks find their spot.
7. Set the tone by creating a playlist and playing tunes.
8. Clean up after school or when the trucks are gone.

### ADDITIONAL OPPORTUNITIES:

1. Reward your staffuly- not just students!
2. Make it an even larger event and invite other student organizations to sell candy, drinks, or merchandise!
