

This one time a strange  
thing happened to  
me...

*R*

I love it when...

*R*

Of all the places in the  
world, my favorite is...

*R*

I think it's weird when...

*R*

My favorite thing to do  
on a Saturday is...

*R*

If I could create one  
club that doesn't exist,  
it would be...

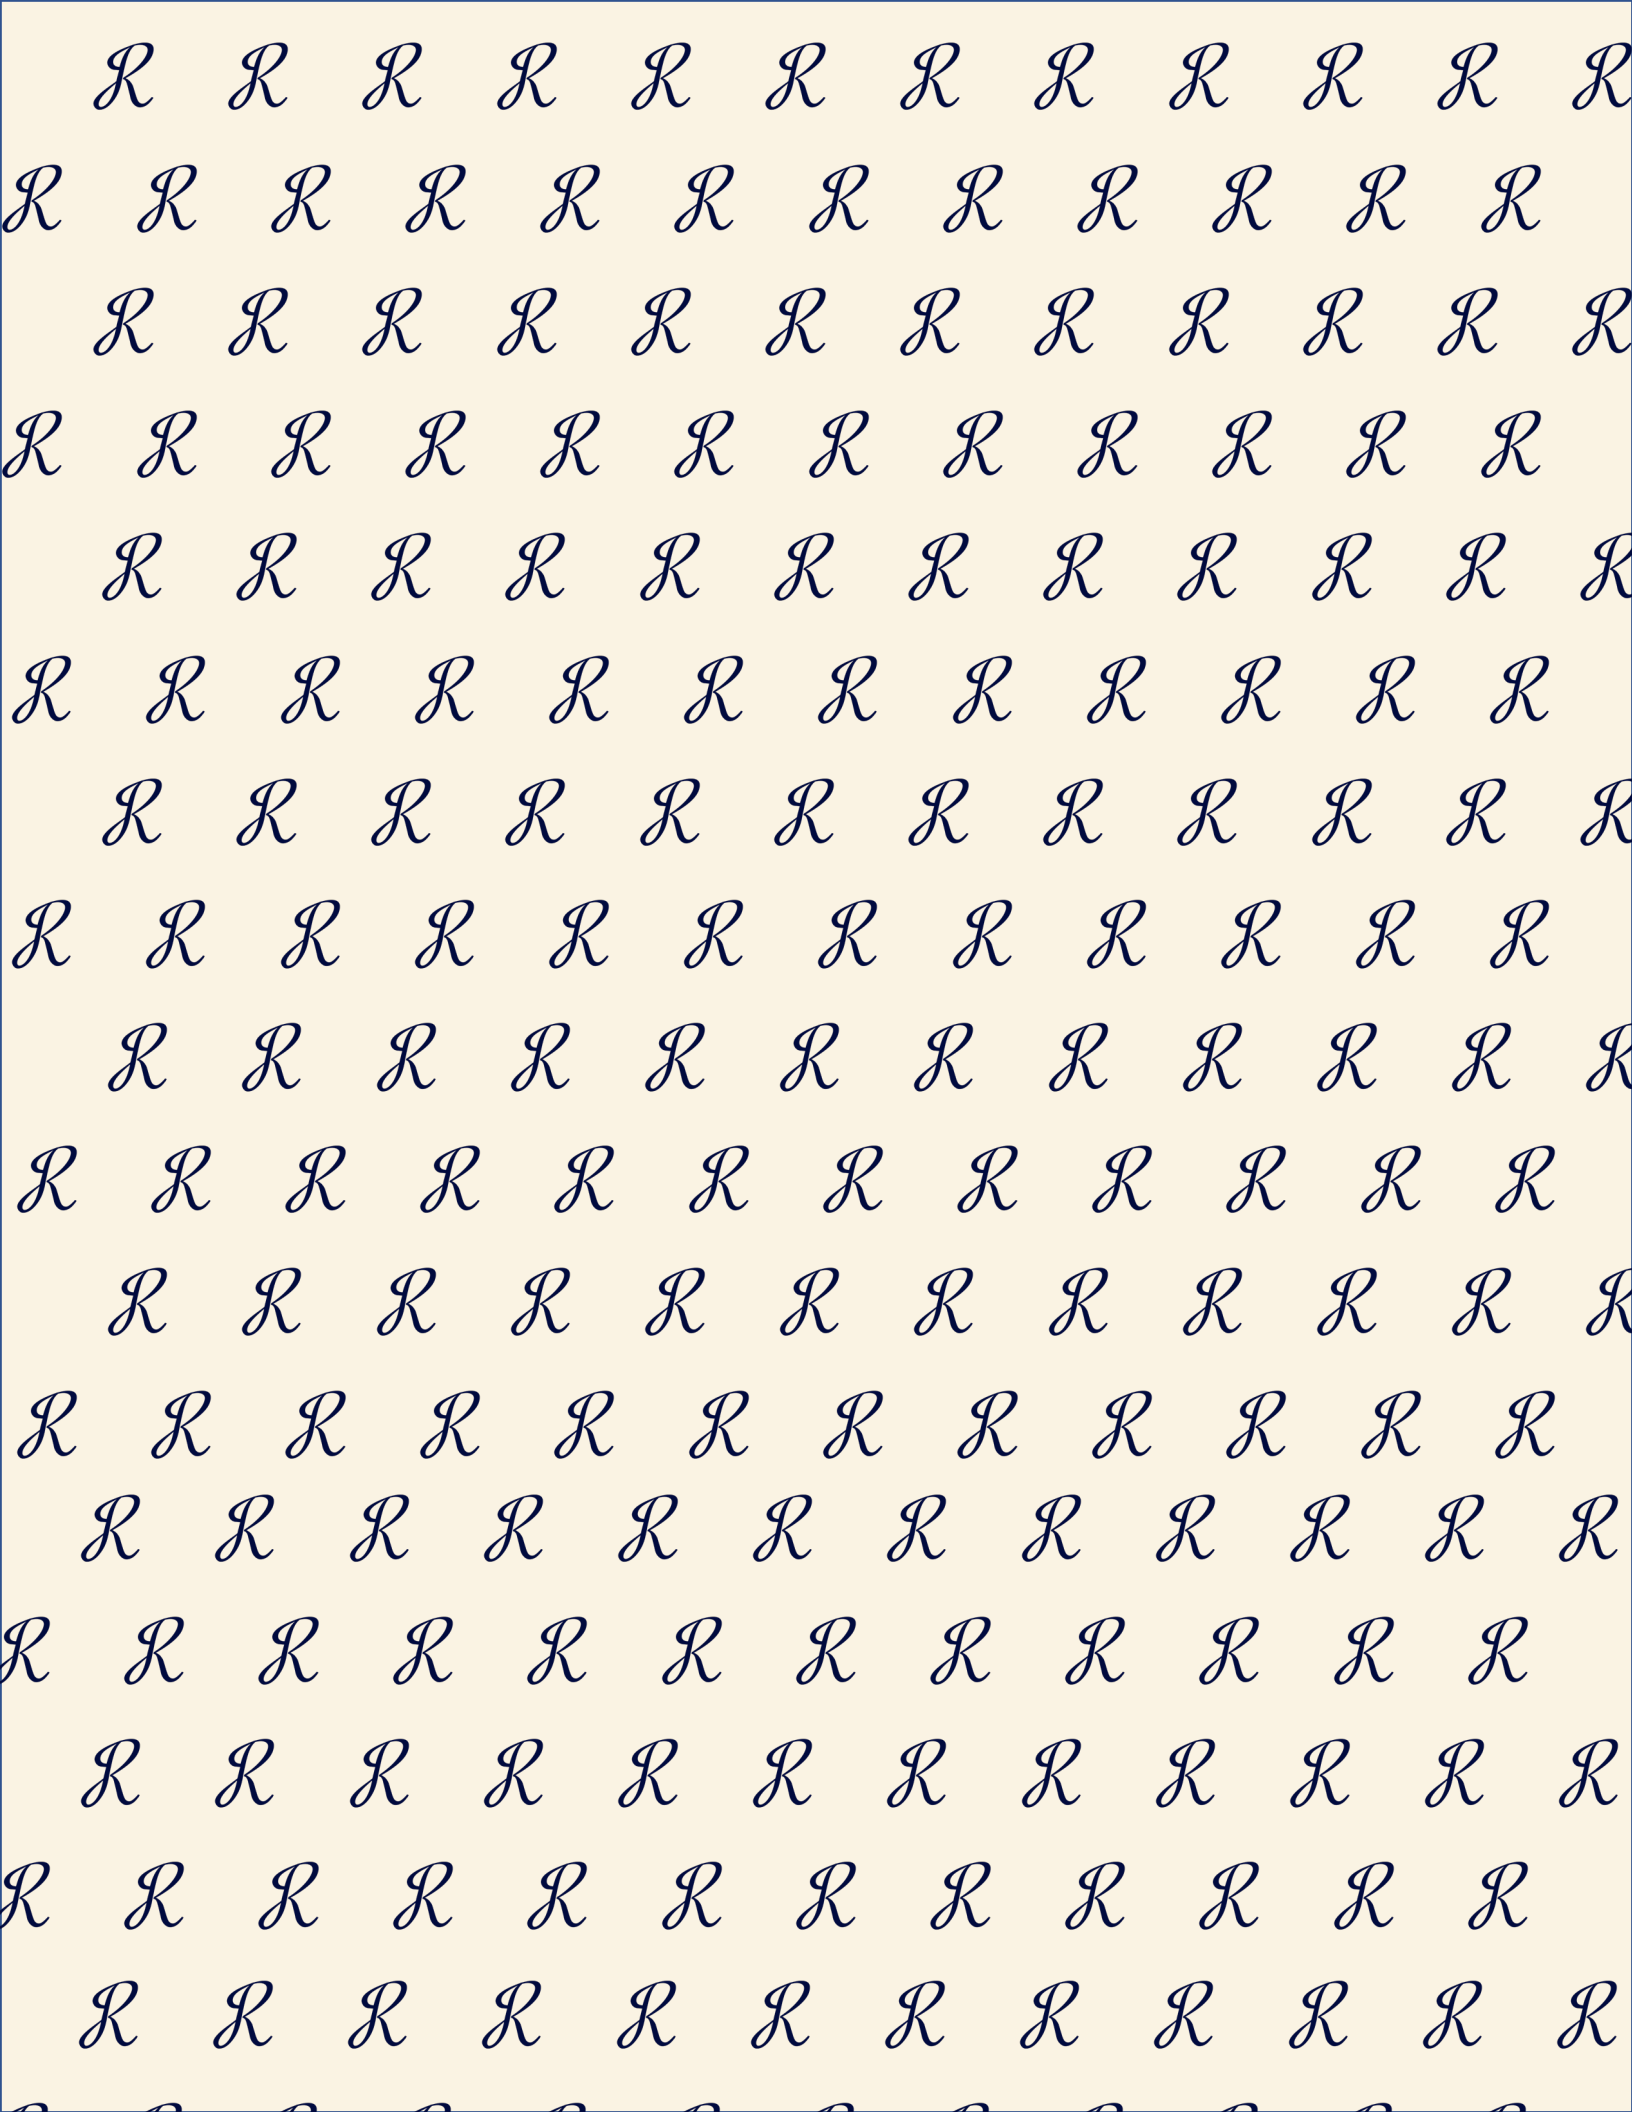

*R*

I hate it when...

*R*

If I could only eat one  
thing for the rest of my  
life it would be...

*R*

My favorite thing about my school is...

*R*

The best moment (or experience) in my life so far was...

*R*

My least favorite thing about my school is...

*R*

Something that never works the way I imagine is...

*R*

It drives me crazy when I see people at school...

*R*

One thing I'm super proud of is...

*R*

It makes me so happy when I see people at school...

*R*

Mostly I'm pretty normal, but one unique thing about me (or my life) is...

*R*

Most people would never guess that I...

*R*

My very favorite thing in the whole world is...

*R*

I don't think I'll ever enjoy...

*R*

When I was a kid I loved...

*R*

One thing I hope I never stop doing is...

*R*

When I was a kid I thought I'd grow up to be...

*R*

I am here because...

*R*

I may not ever go to the moon, but one place I'll definitely find a way to get to is...

*R*
