OVERVIEW

A great way to brand your building with the ultimate goal in mind: graduation!

INSTRUCTIONS

1. Select key areas in your building such as walkways and entrances where a number of students pass on a regular basis.
2. Select key murals and designs that you would like to paint in your building that signify graduation.
3. Make copies of your designs on transparency sheets.
4. Using an overhead projector, project the design on your desired location. Then, use a charcoal pencil to trace the design on the wall.
5. Use paint to go over your mural and create your finished product!
