OVERVIEW

Give students positive one-on-one time with administrators and reward them for good behavior. This also allows administrators to have positive individual conversations with more students.

INSTRUCTIONS

1. When a teacher observes a student doing something worthy of praise (academic progress, kindness towards peers, etc), the teacher completes and turns in the form.
2. Administrator reviews forms and selects a student to be called to the office at a convenient time.
3. The student is called to the office at the set time to meet with an administrator (the student isn't aware of what for yet).
4. Student meets with administrator, where they are rewarded with their Positive Principal Referral, a handshake or fist bump, personal thanks, and a tangible reward (i.e. goodie bag, coupon for a local business).
5. Positive Principal Referral is mailed to parents so they can be surprised, too!

ADDITIONAL OPPORTUNITIES

- Nominate students who are not often formally recognized
- Incentivize Staffuly by entering their name into a raffle every time they submit a student
